

DC WEST RETURN TO LEARN

SECONDARY EDUCATION CONCUSSION MANAGEMENT TEAM

At DC West following a head injury we want your student to thrive in the classroom. Steps are taken by utilizing a school concussion management team (CMT) to minimize an increase in symptoms while attending school. The CMT is the contact point(s) in the school when a student is recovering and in the return to learn protocol.

Our concussion management team consists of :

ATHLETIC TRAINER

Stephannie Maca

Email: smaca@dcwest.org

ASSISTANT PRINCIPAL/ATHLETIC DIRECTOR

Nathan Ter Beest

Email: Nterbeest@dcwest.org

GUIDANCE COUNSELOR

Ron Michael

Email: rmichael@dcwest.org

HEALTH PARA

Jen Griffith

Email: Jgriffith@dcwest.org

A concussion management team also includes the parents & medical team to give the best individualized accommodations to each student.
